Would you like to develop your teaching career?

To start 1st September 2024

Saint Cecilia's Church of England School is a successful and over-subscribed non-selective school, with an excellent reputation, located in South-West London.

A new post has been created and we are interested in either an already qualified SENDCo or an inspirational teacher, who is keen to develop their career by training for a National SENDCo award. This is to support the existing SENDCo in a busy department. For this extra responsibility, a TLR £5,108 will be paid in addition. Subject teaching hours will be 15 per week. At Saint Cecilia's we currently have over 50 pupils with EHCPs and 250 pupils on our SEN register and they receive a considerable amount of help and support to ensure they can fully access the curriculum across the school.

This post is not suitable for early career teachers.

The successful applicant will be joining a school community that places the continual professional development of staff via collaboration underpinned by educational research at the heart of all that we do.

Located close to Wimbledon Lawn Tennis Club, Saint Cecilia's is well connected to central London and the West End, as well as the tranquil Surrey countryside, by exceptional transport links. The school lies within the Inner London Weighting area, which adds a significant increase to salary.

Saint Cecilia's is a vibrant school of just over 1000 pupils with a thriving academic Sixth Form. A caring Christian community, together with a close-knit team of dedicated teaching and support staff, have achieved excellent academic success.

In 2019, the school maintained its position as one of the highest performing schools in the London Borough of Wandsworth. The results for 20/21 improved on this position.

In 2022, the school maintained its position as one of the highest performing schools in the London Borough of Wandsworth. Despite the national drop in results for 22/23, the school continued to perform well.
