Reed.co.uk

No.	Exhibitor	Information
1	AMC Networks International	A global media company, producing broadcasting and streaming programming in the US and UK. From <i>'Breaking Bad'</i> , <i>'The Walking Dead'</i> to true crime documentaries.
2	Andrew Black Consulting	ABC started four years ago providing town planning and development advisory for large residential projects. Prior to ABC, I was Head of Planning at PRP Architects and worked in local authority and the House Building Industry before.
3	ASK Apprenticeships	The Apprenticeship Support & Knowledge for schools and colleges programme (ASK programme) aims to support schools and colleges in England to increase awareness of apprenticeships.
4	Bank of America Securities	Working in London, Singapore, and Hong Kong, Bank of America is one of the largest financial institutions in the world.
5	BBC	I make specialist factual television for the BBC. I am currently working on a science series with physicist Prof Brian Cox looking at the planets in our solar system and overseeing the American versions of these films for the American TV channel, PBS.
6	BIMM University	BIMM University provides an extensive range of courses in modern music, performing arts, and filmmaking to over 8,000 students across 15 schools in the UK, Ireland, and Germany.
7	Christie's Auctions	Founded in 1766, Christie's is a world-leading art and luxury business with flagship international auction sales across the world. Employing top experts in their fields, Christie's sells over 80 different art and luxury categories, with prices ranging from \$500 to over \$100 million. Although over 250 years old, Christie's is recruiting a new, dynamic and diverse workforce.
8	Confetti Institute of Creative Technologies	Confetti is a specialist creative industry institute. Part of Nottingham Trent University, with campuses in Nottingham and London, it is home to the very best technology, studios, equipment, industry-connected tutors, real-world experiences and over 2,000 passionate and committed students.
9	EG	A section editor for a weekly business magazine and website (EG/Radius), specialising in the UK commercial real estate sector. I produce our professional and legal content and lead on a new student-focused initiative. I started out in real estate.
10	Hollis	A third-year apprentice undertaking a Level 6 apprenticeship in building surveying, currently studying part time with University College Estate Management (UCEM) and working for Hollis, a building consultancy firm. I predominantly work in the Dilapidations and Project Management Team but have experience in other services.

11	German School Association	A people professional who has worked in the global fashion industry, and now for an international school. Recruiting, interviewing, and welcoming staff, dealing with employee relations, pay and benefits, training, and career development in different jobs, as well as how companies can become more inclusive and promote diversity in cultures and languages.
12	Harlequins Foundation	Harlequins Foundation was founded in 2015, focusing on providing programmes helping young people to develop essential skills. The Foundation seeks to level the playing field and provide opportunity to those who do not normally receive it. Personally, I have been involved in sports development for 10 years.
13	HM Treasury (Civil Service)	The civil service helps government ministers to develop and then implement their policies, and to administer and provide certain public services. I work in the Treasury, which is responsible for the economy, tax and public spending, on the Treasury's relationship with the EU.
14	Investment20/20	Investment20/20 helps drive a forward thinking, responsible and inclusive investment industry where every firm attracts, develops, and retains talented people from all backgrounds.
15	KICK	KICK provide high quality values-based sports coaching, street dance provision, solutions-focused mentoring, and sports chaplaincy within schools. They offer a one-year internship to young people who want to gain experience in coaching.
16	Kingston Hospital	Working on the Maternity unit supporting mothers with their pregnancy and birth, with previous experience of A&E.
17	Kingston Primary Care Network	Working in a GP practice, assessing and management all patients that present with injury or pain to their joints, muscles, or spine.
18	Kobre & Kim	Erika is a commercial litigator who specialises in high value cross-border disputes and judgment enforcement proceedings. She works in the London office of an American law firm.
19	Metropolitan Police	I am a police officer who works in schools. This is one of hundreds of roles in the Met Police, all are varied and make a difference in people's lives.
20	NHS Blood and Transplant	NHS Blood and Transplant take donations of blood, platelets, and plasma from volunteering members of the public to provide life-saving transfusions to patients, as well as recruiting and caring for organ, tissue and stem cell donors and the patients receiving the transplantation. My role specifically involves travelling around London collecting blood donations.

21	NHS South West London	<p>NHS South West London (NHS SWL) is a partnership of primary care, hospital, social care, mental health, voluntary and community health and care services working to support the health of its local boroughs - Croydon, Kingston, Merton, Richmond, Sutton and Wandsworth.</p> <p>Rachael Armah is the Jobs That Care (JTC) Lead. This programme uses a board game and activities to enlighten students, school career advisors, parents and young adults about the many different roles and careers in the NHS.</p>
22	North Central London Integrated Care System	<p>A chartered surveyor who has worked in the private and public sector, doing a range of capital delivery. Most recently, worked in one of England's 42 Integrated Care Boards, whose role is to co-ordinate care in North Central London. Working with architects, quantity surveyors, specialist contractors, supply chain, patients, and clinicians to build health centres, diagnostic hubs and primary care centres to improve the health outcomes for our communities.</p>
23	Nucco	<p>Nucco are communication experts that change behaviour and perspectives. Part of UNIT9 (www.unit9.com), we are powered by one of the world's leading creative, digital and content production groups. We use insight-led creative to produce digital campaigns and content for advertising, marketing, and internal communications.</p>
24	Partners Capital	<p>Partners Capital is an outsourced investment office which manages the investment portfolios of endowments, foundations, charities, and sophisticated investors.</p>
25	Peter Arkeil Photography	<p>A news photographer that has covered events in the UK including the miners' strike (1984-85) and abroad: Egypt for the Middle East war in 1973; Moscow Olympic Games in 1980, and to several countries in Europe. From 1986 worked as a freelance, mainly for trade unions, and started writing. Co-authored three books: <i>'Unfinished Business: The Miners Strike for Jobs 1984-5'</i>, <i>'A Pub Crawl through History - The Ultimate Boozers` Who`s Who'</i> and <i>'Freedom Pass London - Make the Most of Your Travel Pass'</i>.</p>
26	Robert Mathison	<p>A chartered building surveyor who initially spent five years in private practice and has subsequently spent 30 years in social housing. The surveying profession offers a wide range of opportunities across many sectors both in the UK and abroad.</p>
27	South Thames College Group	<p>South Thames College Group offers a plethora of vocational learning programmes. Whether you're looking for a full-time course, an apprenticeship or T Levels.</p>

28	St Anne's College, University of Oxford	St Anne's is one of the 32 undergraduate colleges that make up the University of Oxford. St Anne's has always had a history of striving to make Oxford a more welcoming place for people from all backgrounds, continued today through outreach work with schools and students.
29	STEM Ambassador	Supporting and collaborating to improve the outcomes of young people through STEM Learning education. Providing lecturers and hands-on practical experiments.
30	Tate & Lyle PLC	Phoebe describes her career journey “as an unconventional route to Governance, having studied for ten years at the Royal College of Music, and then studying to be a doctor.” Governance is the perfect intersection of law and strategy, and in large companies it keeps you busy!
31	Triple Line	Triple Line is a small consultancy company with offices in UK, Kenya, Ethiopia and the Philippines. We work for Governments, multilateral agencies like the UN and the World Bank, non-government organisations (such as charities and foundations) to provide research, advice and assessments of the aid and development work they fund and implement in developing countries around the world.
32	UK Health Security Agency, UK Civil Service	The UK Health Security Agency (UKHSA) was set up during the COVID-19 pandemic and is responsible for protecting every member of every community from the impact of infectious diseases, chemical, biological, radiological and nuclear incidents and other health threats. We provide intellectual, scientific and operational leadership at national and local level, as well as on the global stage, to make the nation’s health secure.
33	X (formerly Twitter)	X (formerly Twitter) is where people go to find about what’s happening in the world and to talk about it. Social media and marketing drives the internet, and advertising funds all our most used apps and websites. X is mostly funded by advertising and my job is to drive that revenue to reinvest in developing the products we create for users and sell to advertisers.
